

Communities in Motion: Regional Long-Range Transportation Plan
COMMENT FORM – public comment period April 18 – May 19, 2006

Thank you for participating in “Communities in Conversation.” This public event will gather comment for the draft *Communities in Motion: Regional Long-Range Transportation Plan*. The Community Planning Association of Southwest Idaho (COMPASS) will consider your comments when preparing the final plan. The COMPASS Board will adopt the plan in July 2006; the final plan and an executive summary will be available for public distribution in late 2006.

1. **Growth Scenarios:** The land use alternative in the draft plan supports changes that result in more high-density housing in existing communities, more open space between and around communities, and building housing, jobs, services and shopping closer together.

Do you support this growth scenario? Yes ___ **No** ___ **No Opinion** ___

Please comment:

2. **Transportation Systems – Transit:** The draft plan supports an expanded public transportation system and more opportunities for walking and cycling. The expanded public transportation system would cost \$1.7 billion and require the region to seek new revenue sources of \$1.1 billion.

Do you support an expanded transit system? Yes ___ **No** ___ **No Opinion** ___

Do you support seeking new revenue sources for transit? Yes ___ **No** ___ **No Opinion** ___

Please comment:

3. **Transportation Systems – Roadways:** The draft plan supports improvements to regional corridors. The cost of the total improvements would be \$2.85 billion, but more than \$600 million in new revenues would be needed to pay for the improvements.

Do you support improvements to regional corridors? Yes ___ No ___ No Opinion ___

Do you support seeking new revenue sources for roadways? Yes ___ No ___ No Opinion ___
