

## You are invited to “Communities in Conversation”

*Please join us to offer your input about the region’s transportation future*

As you know, the region is growing. Within the next 20 years, we expect to see significant continued growth, which will affect our quality of life. Our transportation system plays an important role in the way we grow and how that growth is accommodated.

Because life in the Treasure Valley is important to me, I am hosting a “Communities in Conversation” group discussion regarding the draft of *Communities in Motion: Regional Long-Range Transportation Plan*. This plan reviews transportation needs for Ada, Boise, Canyon, Elmore, Gem and Payette counties for the next 20 years. The purpose of the meeting is to review the draft plan, discuss the future of the region’s transportation system and provide written input.

This “Communities in Conversation” event is one of many taking place throughout the region and provides the final opportunity for you to comment on the draft plan before its adoption in July 2006; it is a unique approach to encourage discussion throughout the region.

The Community Planning Association of Southwest Idaho (COMPASS) and the Idaho Transportation Department will consider our input in the final long-range transportation plan.

**My meeting is:**

**DATE:** \_\_\_\_\_

**TIME:** \_\_\_\_\_

**LOCATION:** \_\_\_\_\_

**HOST:** \_\_\_\_\_

**RSVP:** \_\_\_\_\_

Please review the draft plan or the summary before the meeting. It is available beginning April 18 at [www.communitiesinmotion.org/conversation06.html](http://www.communitiesinmotion.org/conversation06.html)
