

Thank you for attending today's open house

- The Communities In Motion project team will use comments gathered at today's open house to help draft the regional long-range transportation plan
- The draft plan will be presented to the community in February 2006 and the COMPASS Board will approve Communities In Motion in April 2006
- Community Celebration – tentatively scheduled for June 22, 2006 (location to be determined)

For more information, including chapter drafts, technical documents, maps and public meeting schedules, please visit www.communitiesinmotion.org or call 855-2558, ext 228
