

Communities in Motion
Community Presentation Comment Form
March – April 2005

Thank you for attending today's presentation. Your input is important to us. The comments you are providing will be used by the Community Planning Association of Southwest Idaho to help select a preferred growth scenario for the six-county longrange transportation plan.

Blended Attributes:

Greater consumption of new land than the Mixed-Use Corridors. Additional growth in existing small communities.

Like: _____ Dislike: _____

Why:

Regional housing mix of 65% single-family home and 35% multi-family homes. Relatively high proportion of large lot residential development in areas of impact.

Like: _____ Dislike: _____

Why:

Less potential for transit than Mixed-Use Corridors
