

PARTICIPANT SURVEY
Scenario Planning Workshop

November 16 & 17, 2004

1. In what city (or closest city) do you live?

2. In what type of home do you do you live?

- | | |
|--------------------------------------|-----------------|
| A. Small lot Single-family home | E. Condominium |
| B. Large lot Single-family home | F. Townhome |
| C. Duplex | G. Mobile Home |
| D. Apartment (>2 units in structure) | H. Other: _____ |

3. Do you own / rent your home? _____

4. What do you believe are the three most important aspects of the region that need to PRESERVED? _____

5. What do you believe are the three most important aspects of the region that need to FIXED or IMPROVED? _____

6. Anticipating that growth will occur in the region ...

b. What are your feelings about growth in the region?

c. Please rank your preferred or ideal way to accommodate new growth in the region?

- ____ A. Primarily new single-family homes dispersed throughout the region, including multiple acre lots in rural areas. This pattern consumes much of the existing vacant/agricultural land.
- ____ B. Compact neighborhoods: a mix of smaller-lot single-family homes, townhomes, duplexes, apartments clustered together. This pattern consumes less land and preserves a greater extent of vacant/agricultural land.
- ____ C. A combination of "A" and "B"
- ____ D. Other (please describe your ideal scenario).

7. Please rank your ideal way to travel about the region?

- A. primarily by automobile
- B. sometimes by automobile; sometimes by bus, or bike, or walk, or other form of transit that becomes available
- C. only by transit, bike, walk or other form of transit

8. Assuming that traffic becomes worse as growth occurs, please rank the priority to spend limited transportation funds to improve traffic conditions?

- A. Add more lanes to highways; improve only roadways
- B. Improve efficiency on existing roadways through tolls, access management, signal/intersection improvements, and other strategies that do not involve adding more traffic lanes.
- C. Develop a rail system linking together major urban areas in the region
- D. Develop an highly efficient bus transit system linking together major urban areas.
- E. Develop a balance between improving important roadway connections while also improving the transit network

9. Please rank the elements of “good transit” that would attract you to use the system?

- | | |
|--|--|
| <input type="checkbox"/> A. Short wait at transit stop | <input type="checkbox"/> F. Transit service to major destinations |
| <input type="checkbox"/> B. Light rail train (LRT) service | <input type="checkbox"/> G. Businesses and homes at/near stations |
| <input type="checkbox"/> C. Extensive bus service network | <input type="checkbox"/> H. Sense of safety/security at stations/vehicle |
| <input type="checkbox"/> D. Clean transit vehicle | <input type="checkbox"/> I. Fareless bus or streetcar in downtown areas |
| <input type="checkbox"/> E. Can walk to station | <input type="checkbox"/> J. Park-n-ride facilities |

10. Have you experienced “good transit” anywhere in Idaho? ...the United States? ...the World? If yes, in which city/cities or region/regions?

11. Assuming it were available in this region (today), rank the activities for which you would use “good transit” to go...

- | | | |
|---|---|--|
| <input type="checkbox"/> A. to work | <input type="checkbox"/> D. back home | <input type="checkbox"/> H. to the grocery |
| <input type="checkbox"/> B. shopping | <input type="checkbox"/> E. to (any) downtown | <input type="checkbox"/> I. to the park |
| <input type="checkbox"/> C. visit friends | <input type="checkbox"/> F. to the airport | <input type="checkbox"/> J. to the movies |
| | | <input type="checkbox"/> K. other: _____ |

12. Please rank the meanings that best match your idea of “agricultural land”?

- A. only one home on at least 20 acres; commercial production of crops on property
 - B. one home on at least 10 acres; some commercial production of crops on property
 - C. one home on at least 10 acres; NO commercial production of crops on property
 - E. other: _____
-

13. Please rank the meanings that best match your idea of “rural lifestyle”?

- A. home on 1/2- to 1-acre adjacent to similar homesites; head-of-household commutes to work in city or other urban area
 - B. home on 5-10 acres; head-of-household commutes to work in city or other urban area
 - C. home on 1/2- to 1-acre; head-of-household occupation is farming/ranching-related
 - E. other: _____
-

14. Please rank the meanings that best match your idea of “good urban” development?

- A. Cluster of homes on 1-acre lots; long driveways and the automobile is primary means of transportation
 - B. Cluster of homes on 1/2 -acre lots; automobile is primary means of transportation
 - C. Higher intensity multiple story (3,4,5 to some 8-story) buildings; retail and commercial use on ground floor; housing on upper floors; walking-friendly environment.
 - D. Clusters of small-lot single-family homes and townhomes mixed with some low-rise apartments and 3 and 4-story mixed-use buildings; walking-friendly environment.
 - E. High-rise condominium towers (14 or more stories) in appropriate areas; transit a major component of transportation system
 - F. other: _____
-

15. Would you be willing to see more “good urban” type development in the region so long as it well-designed and helps to improve the character of the area in which it is built?

YES or NO

(Additional explanation?) _____

16. What did you learn at the workshop that surprised you?

17. What could be done to improve the workshop process?

18. Any additional comments or suggestions you would like to express?
